Is constantly updated in all aspects in order to provide the best service to customers and satisfy their needs

Such as service and manufacturing our products. And also to provide the best quality service.

### **OUR VISION:**

To be the leading Company in the field of manufacture of Parts and components for the best technical maquiladoras applied for Permanent efficiency using the best equipment with the latest Technology CNC.

### **QUALITY POLICY:**

CARSEB client is committed to providing quality service at the best time, cost and quality through continuous Improvement and teamwork.

### **SAFETY AND HEALTH POLICY**

CARSEB's health and safety policy. In its operations of works whit machines and tools, is to lead to the company and operations in harmony with the environment and the society; Protect the safety and health of workers to contribute to the development, well-being and culture of communities in their areas of influence in safety, health, environment and communities.

### **3. – PRODUCTION PROGRAM:**

The CARSEB production program support the departments of industries in áreas such as production, Engineering, prototypes and /or products which require short or long term machinery and tool Computarized Numerical Control (CNC) and conventional processes Welding (TIG, MIG, Electric, point) offering an extensive

Range of products including:

- 1.-Prototypes
- 2.-CNC machined parts in low and high run production 3.-  
Pallets
- 4.-Racks
- 5.-Re-works
- 6.-With material characteristics specifiend by the customer, such as:
  - a). -Steels
  - b). -Aluminum
  - c). -Delrin
  - d). -PVC
  - e). -Copper
  - f). –Bronze

The delivery period is negotiable with customers.

All works are guaranteed in CARSEB.

---

#### **4. – EQUIPMENT AND MACHINERY:**

- HAAS Machining Center CNC
  - Turning Center HAAS CNC
  - Rotatable Lathes Ranging from 6" a 32"
  - Conventional Milling Machine
  - Grinders Flat Area
  - Stamping Parts
  - Press Brake 3/16" x 10'
  - Shear press 3/16" x 10'
  - Heat Treatment furnaces
  - Bending Capable Thicknes 3/16
  - Hydraulic Presses 25 tons and 50 tons
  - Measuring Instruments Calibrated and Certified
  - Granite Table
  - Universal Milling gears and Machined Cincinnati for heavy works
  - Automatic Threading Machine
  - Radial Drill
  - Band saw machine
-

5. – SOME OF OUR CUSTOMERS:

**CHRYSLER**

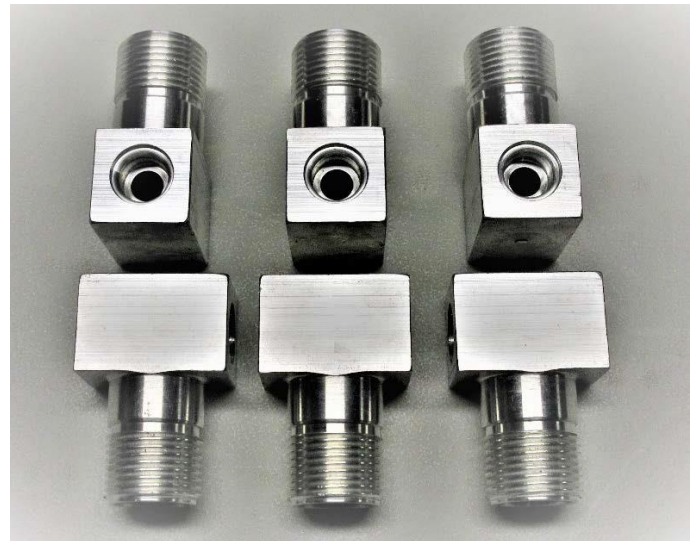

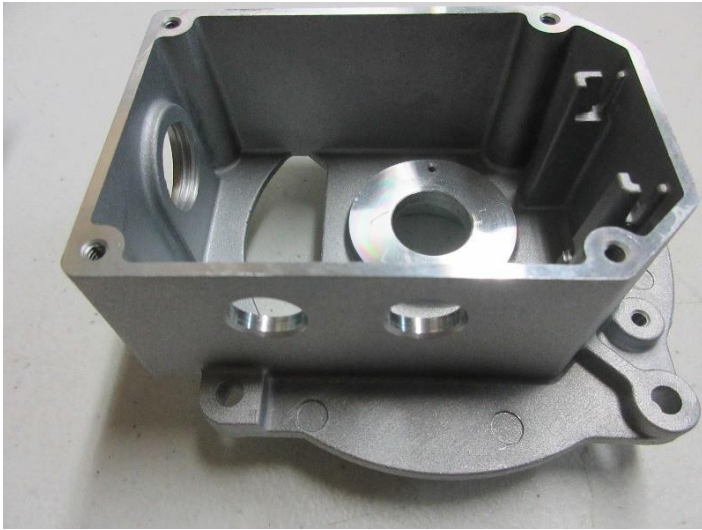

**COMMSCOPE**<sup>®</sup>

**at&t**

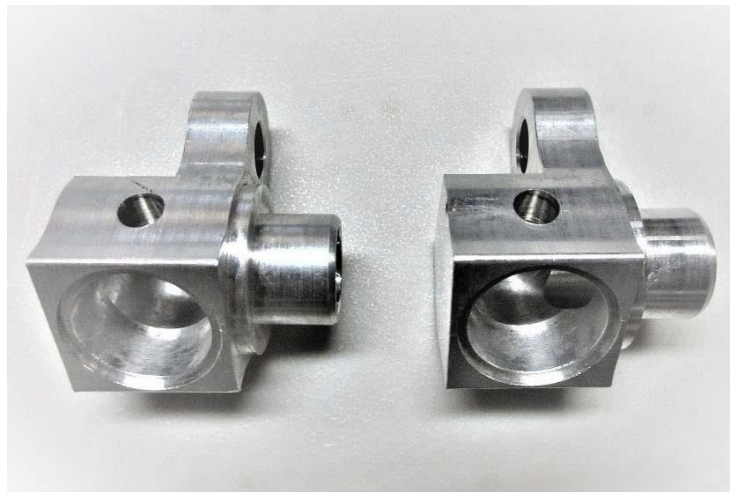

**6. – SOME OF OUR PRODUCTS:**

## 7.- QUALITY MANAGEMENT SYSTEM

We have our processes of safety and quality, a delivery with the best time for our customers, we improve the cost of operation to offer competitive prices.

Committed to providing quality service at The best time, cost and quality through continuous Improvement and teamwork. ISO 9001:2015 Certificate No: **FM 701885**

**bsi.**   
By Royal Charter

### Certificate of Registration

QUALITY MANAGEMENT SYSTEM - ISO 9001:2015

This is to certify that: **CARSEB CNC S.A. DE C.V.**  
Monterrey No. 410
